Subject: Approval of Notice of Intention to Commence Large Mining Operations, Miracle Rock Mining and Research, The Rockland Mine, M/015/0040, Emery County, Utah

Dear Mr. Taylor:

The Division received the reclamation surety for The Rockland Mine and two copies of the Notice of Intention to Commence Large Mining Operations (NOI). The Division now permits you to begin mining operations as outlined in you NOI. The permitted disturbed area is seven acres. A copy of the executed surety documents will be forwarded to the School and Institutional Trust Lands Administration (SITLA) for their records. The surety will be reviewed periodically to assure that the bond remains adequate.

Please be advised that you must also acquire approval from SITLA before beginning mining operations on state managed leases. The approval or acceptance of a complete notice of intention does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations.

Enclosed are copies of the signed and executed Reclamation Contract and surety bond forms for your files. Also enclosed is a copy of the approved NOI for your files. Please keep your plan current by submitting changes using Form MR-REV-att, which is located on the web at www.ogm.utah.gov.
